J.R. Bruno & Associates Announces Addition to GAP Team

J.R. Bruno & Associates is pleased to announce the addition of Alicia Moselle to our GAP Team. She will be providing lending services throughout the Tri-Counties (Ventura, Santa Barbara, and Los Angeles) area. Alicia has ten years of experience in small business lending with expertise in SBA finance. She has held various positions with community lenders and banks, including loan processor, business development officer and lending officer. Her experience and knowledge give her the skills to address a variety of needs for the clients of J.R. Bruno & Associates.

At J.R. Bruno & Associates, our specialty is SBA Lending. We can provide a total outsource for your institution or provide technical assistance and/or training on any phase of the SBA Process including Loan Reviews. Let us augment your processing needs, whether it be prescreening, underwriting, documentation and closing, or post closing reviews. We offer a complete spectrum of training programs for all institutions. Our services include efficiency studies and loan reviews for existing SBA departments. Call on us to assist with sales and marketing. Remember us when you need overflow assistance for overworked and understaffed departments.

Whether you're a beginning business lender or experienced folks pursuing more complex SBA markets, find the expertise and talent you need for your business in the J.R. Bruno team of associates.
