

**JRB's eBULLETINS FEATURED IN  
CUES BUSINESS LENDING EDGE ONLINE NEWSLETTER  
THIS MONTH:  
'SERVICING SBA LOANS: YOU GOTTA PLAY DOMINOES'**

We're pleased that CUES Business Lending Edge online newsletter continues to feature our eBulletins! CUES Business Lending Edge goes out quarterly to credit unions across the country, and covers the latest business services news. Our eBulletin, "Servicing SBA Loans: You Gotta Play Dominoes!" is in the summer issue that came out this month.

You know about playing dominoes: Stack 'em vertically close together. Knock one over. Then they all fall into place: The Domino Effect. Just as with dominoes, one service action in a commercial loan doesn't really equal a single action. It can - and usually does - trigger a whole spectrum of necessary actions. The article covers the range of issues that should trigger necessary immediate lender actions, including business change of address, annual financials and tax returns, and bankruptcy, death of a principal or business closure.

The overall message: Play it safe. Play dominoes. Take all the necessary actions whenever there's a change in the status of a loan.

Check out the article. It's front and center on our [homepage](#). While you're there, it's a great opportunity to review the full array of J.R. Bruno & Associates services that will increase the success of your credit union's SBA and MBL programs. And watch for more J.R. Bruno eBulletins in future issues of *CUES Business Lending Edge*. If you don't already receive this free industry resource, I encourage you to [subscribe](#).
