### **We're Ready For An SBA Audit Even if You Aren't**

There's no avoiding it. Sooner or later you will encounter the stark reality of an SBA lender over-site audit.

Will you be ready? Are you in compliance? Do you know the SOP regulations and guidelines inside and out? Have you corrected deficiencies?

If you have any doubt, now is the time to satisfy the complicated requirements – before it's too late.

J.R. Bruno & Associates SBA GAP Team can fill in the gap when it comes to preparing your institution for an SBA audit. With a proven track record of more than 100 years in SBA lending, we have the knowledge and the experience to prepare your institution for the inevitable. We can:

- Review current loans to verify that all eligibility and documentation meets SBA requirements.
- Verify that all servicing and liquidation actions meet SBA requirements.
- Check lender practices, policies, and procedures to see that they are in compliance with SBA guidelines.

Don't put your portfolio status at risk. Call the SBA GAP Team at 626.963.1267. We'll schedule a convenient time to help you prepare for your upcoming SBA audit. Be sure to visit our website at [www.jrbrunoassoc.com](http://www.jrbrunoassoc.com).
